UNDERWATER MAZE

Can you help the lost fish find his friends?

BRAIN WAVES

Fill in each blank circle with a one digit number, so that the six numbers around every hexagon equal 30.

STUMP YOUR PARENTS

Q: What does al dente (al-DEN-tay) mean in Italian?

A: It literally means "to the tooth" which is how to test pasta to see if it is properly cooked. The pasta should be a bit firm, offering some resistance to the tooth, but tender.

Q: What is the largest animal on earth?

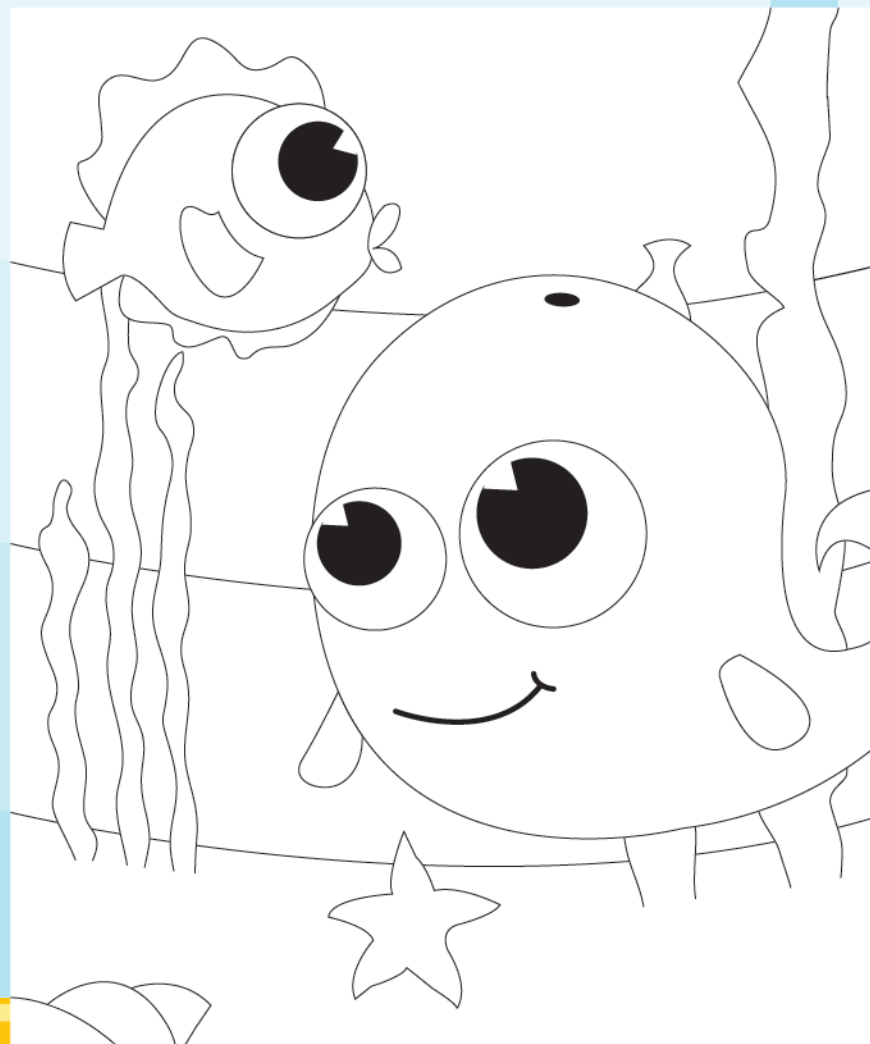

A: The blue whale! It weighs 50 tons at birth and grows to 150 tons. The heart of a blue whale is as big as a car and its tongue is as long as an elephant.

Q: What does "macaroni" mean in Italian?

A: Dearest darlings.

Q: Who can repeat these tongue twisters?

- Fresh fried fish, fish fresh fried, fried fish fresh, fish fried fresh.
- Miss Smith's fish-sauce shop seldom sells shellfish.

SILLY SEAS

- Q:** Why are fish so easy to weigh?
A: Because they have their own scales!
- Q:** What did Murray the crayfish use to call his friends?
A: A shell phone!
- Q:** What do you get when you cross an elephant with a fish?
A: Swimming trunks!
- Q:** How did the starfish pay for his burger?
A: With a sand dollar!
